## LETTER FROM THE PRESIDENT

The Calvary Leadership Institute catalog you hold in your hands is significant to your leadership journey and how it all fits into God's design for you. The demand for high impact leaders has never been greater. At Calvary Leadership Institute, you will be equipped with the knowledge, skills, and character to make a difference in the real world.

As you read through the pages of policies and course descriptions, you will sense that Calvary Leadership Institute is focused on balanced, practical equipping that meets a distinct need in the local church. We are committed to building your leadership capacity and aiding in your development so that you will impact the world for Christ. It is our desire to see you become a lifelong learner and to be equipped to face the challenges of the 21st century while being anchored to the unchangeable Word of God.

Our mission to train emerging and existing Christian leaders and workers aligned with our values for equipping: to be uncompromisingly Biblical, vision driven, excellent, and local church based, indicates that we are a community dedicated to your academic success. Our faculty is a gifted group of men and women, distinguished in their own right, committed to the biblical message, and resolute in their call to aid in the formation of today's rising servant leaders. They are wholeheartedly dedicated to scholarship.

My prayer is that when you have completed your academic coursework with Calvary Leadership Institute you will be closer to understanding your place in the Kingdom of God than you were before you began. I am confident that you will be equipped to discern and respond to difficult tasks. I encourage you to become a part of what God is doing at Calvary Leadership Institute. It is an educational experience that will provide you with relevant, life-giving solutions to the challenges around you.

I welcome you to this spiritual leadership journey. When God gave me the vision for Calvary Leadership Institute, He had you in mind. I am committed to stand alongside the dedicated faculty of Calvary Leadership Institute to help you fulfill your calling in God's Kingdom.

Equipping real leaders for the real world,
